

## ILA Alumni Job Placement Data

ILA alumni work in a variety of leadership capacities in traditional public schools, public charter school districts, and to a lesser extent foundations and other education-focused organizations. Alumni are leading change at the school level - managing people, data and processes to foster school improvement as coaches, teachers leaders, and school principals; and at the district level - working to shape a vision of academic success for all students, through various central administrative roles.

The following data provides information about where ILA alumni work, and the positions they hold. Data is representative of candidates who have completed years 1, 2 and 3 of the ILA program.
